

## **Home School Programs**

Forsyth Home Educator members receive free admission M-F during the regular WS/FC School System's school calendar. FHE members also receive a 50 % discount on a SciWorks Membership. Forsyth County residents that home school receive free admission for their children with proper home school ID and proof of Forsyth County residency M-F during the regular WS/FC School System's school calendar. The family will receive one parent/guardian free admission. Additional parent/guardian pays \$5. Non-Forsyth County residents that home school their children receive the school rate of \$5 per child with proof of home school ID during the regular WS/FC School System's school year. The family will receive one adult/guardian free admission. Additional parent/guardian pays \$5.

All home school families in Forsyth County and outside of Forsyth County pay the regular admission rate during the summer out of school months, and on days when school is not in session. They pay the \$5 program rate throughout the year. Home school groups also have the choice of registering under a Home School Group name with the Museum Scheduling Coordinator. No IDs are required. You must have at least 10 students to register as a group. Each student will receive the admission rate of \$5 per student.

Bus and Van drivers receive free admission. Groups also receive 1 free adult per 10 students and additional adults pay \$5. Home school groups may register for Planetarium Shows, Science Adventure Programs, and Young Scientist Programs. Some programs have a minimum requirement of students before you can enroll. Please read further on our website about the wonderful education programs we offer. To learn more about registering as a home school group or if you have further questions please contact the Museum Scheduling at 336-714-7105 or [info@sciworks.org](mailto:info@sciworks.org)
