Entire Museum

Looking for an unusual venue for a party or reception? Give your guests the fascinating “hands-on” experience at SciWorks. You may want to place bar and hors d’oeuvres stations in 6 different exhibit galleries to encourage your guests to stroll through SciWorks. Your guests will be intrigued by our exhibits as they are treated to a lovely catered affair.

Auditorium

An intimate theater with exceptional acoustics - seating for 150. Projection booth, stage, house sound system, pull-down screen for LCD projection, slides, or overhead projection. Podium with microphone or cordless microphone.

“FoodWorks” Dining Room

This 2,500 sq. ft. room with 20 ft. ceilings has seating for 120 (rounds of 8) with floor-to-ceiling windows that look out onto a lovely patio.

Planetarium

With seating for 120, why not treat your guests to a planetarium show? Choose from a variety of options – from a night sky tour to a Pink Floyd laser show! Send your guests to the stars – and back!

Lecture Hall

This room provides a comfortable conference style setting with upholstered seat and back chairs. The room houses the large screen Xerox Live Board computer.

Theater Style	75
Hollow Square	28
U-Shaped	20
Conference Style	16 or 18
Separate tables	6 tables of 8
